Good and New

The latest men's products leave lads looking fab.

Goldwell dualsenses For Men Thickening Shampoo integrates the Recharge System, which boasts guarana caffeine complex to stimulate scalp microcirculation and proteins to increase hair texture and strength.

Gently cleansing with olive oil castile, Hey Dude Clean Skin Gel Cleanser also contains vegetable glycerin to aid in moisture retention.

Recommended for oily mugs, [comfort zone] Man Space Scrub Performer sloughs off dead skin via jojoba and silica spheres.

It's time to ditch the Flintstones vitamins in favor of Bosley Professional Strength Healthy Hair Vitality Supplement, which includes saw palmetto extract to help lower DHT levels and iodine to assist in growing stronger, healthier mops.

Go extreme! CHI MAN Radical Style Extreme Glue is enriched with conditioning silk proteins and polymers to lock his mop into place.

Add fullness and texture sans greasiness with Aware Products Sponge Wax, which incorporates certified organic horsetail extract to keep hair looking thick.

Dual-action IT&LY Hairfashion IV Men XP Shampoo & Body Wash is packed with jojoba esters and sugar cane extract to mildly exfoliate skin and scalp.

Enriched with shea butter and ocean kelp, Privé Extended Texture Clay delivers a dry, textured finish with workable, flexible hold.
